**Joe DaSilva's upcoming tenant hearing:**

**WEDNESDAY JUNE 2nd 1PM**

---

Long-time Inglewood resident Joe DaSilva, has an upcoming hearing at the landlord and tenant board, on Wednesday June 2nd at 1PM

It is very important that Joe knows he is not alone in this fight to prove his status as a tenant, and that fellow tenants and allies are there to support Joe by attending the hearing on their phones or computers!

You have a legal right to attend this hearing, and witness the verdict of the LTB. This hearing will impact the legal status and rights of other rooming house tenants in the province.

If you have a smartphone or computer, and internet connection you can observe the hearing.

If you have a regular phone, you can also dial in and listen to what is happening.

Please see the other side of this flyer for full and complete details on how to access the hearing from the comfort of your home.

**Get Your Vaccine!**

**Help Keep Inglewood safe and strong!**

Because Inglewood is a congregate setting it's very important to get your vaccination. More information is coming to help you set up your appointment and get to your local clinic.

## **How to access the hearing on Zoom:**

---

If you have a telephone, you will be able to listen in on the hearing by dialing this number:

**Toll Free: 1-855-703-8985 or Local: 647-374-4685**

**You will be prompted to put in the meeting code:**

**627 3289 0572#**

**This is the easiest way to access the hearing.**

The people in the "room" online will be able to see the phone number you are calling from, but they will not be able to see a picture of you or your name. You will be able to listen, but they keep people muted during the hearings.

If you have access to internet, open your browser and type in the link address:

**<https://bit.ly/SLVCZoom87>**

**You will likely be asked to enter your name.**

**Do not put your real name if you do not want it to be seen.**

**You can put 'Observer' as your name for this event.**

You will be able to see what is happening, but so long as you keep your video stream or webcam off no one will be able to see you. They will not be able to hear you as they mute people during the hearings.
